

**Calling all dancers we need volunteers at the musicians' course on
5th December 2021**

DANCERS, YOUR MUSICIANS STILL NEED YOU!

The BHS Class Musicians' Course needs your support for their final session on Sunday 5th December 2021. As previously advertised, Mervyn Short will be taking a masterclass for the musicians where each of the 5 musicians will have an half hour session working with Mervyn to put into practice the skills they have learned during the course. The musicians will be put through their paces, not the dancers, but of course you will benefit from Mervyn's excellent teaching – and it's free!

Location: High Close School, Wokingham, RG40 1TT from 10am to 1pm.

There is some parking at the school and the station is within walking distance.

When we know who is able to volunteer we can assist with car shares and station pickups.

Please do consider supporting us, and if you can do so or want any other information, then please email Judith Muir – judith.robertson3@btinternet.com.
