

**Why EVERY Scottish Country Dancer should be a MEMBER of RSCDS  
(Royal Scottish Country Dance Society)**

**In ten years the RSCDS membership has dropped by over 5,000.  
Please consider joining, here are some good reasons:**

**12 Coates Crescent, Edinburgh,  
home to RSCDS. If it wasn't for the  
Society we probably wouldn't be  
dancing today.**

**Scottish Country Dancer published twice  
yearly, received by every member.**

**The RSCDS publishes books and cds which it  
sells from its shop as well and other  
useful items for the Scottish country dancer.  
Members receive a 10% discount.**

**Reduced entrance fees for  
members to Branch balls, day  
schools and dances.**

**St Andrews hosts the RSCDS Summer School, which was started in 1927. Here is the Younger Hall where dances take place. Members attend Summer School at a discounted rate.**

**As a member you can have a voice in the running of RSCDS either at Branch level or at HQ by being elected to the Management Board or one of the committees.**

**Classes need teachers and musicians. Membership helps support the training of teachers and musicians and is important work of the RSCDS.**

**As a member you are helping to preserve an important aspect of Scottish culture.**

**Other reasons for joining are:**

- **Access to *members' area* of RSCDS website and contact with dancers around the world.**
- **Promotion of the Scottish country dance tradition in schools in Scotland and among young people everywhere.**
- **Provision of medal test to encourage young dancers and dancing achievement awards for adult dancers to maintain a good standard of dancing.**
- **Conserving the present and future existence of this form of dance.**

***PLEASE JOIN TODAY***
